A duo of mens fashion and contemporary culture experts present a witty, entertaining account of the modern gentleman through vivid illustrations. Two confirmed mens style specialists have crafted a humorous guide for navigating the perilous waters of modern life. This style bible offers wry and witty advice for every situation imaginable and keys to understanding masculine style ♦ la fran♦aise. Men today are faced with myriad choices that reflect on their personal style, and it can be baffling to know what to do. What role should you take on at a barbecue? Would Marcello Mastroianni have puffed on an electronic cigarette? What can you steal from Kurt Cobains style? Why does wearing a turtleneck exude such masculinity? Should you hit the sidewalk on a hoverboard? What should you wear to cast your vote on election day? How to Be Suave in Every Situation is the ultimate guide to a tasteful and sophisticated life. Laying down the law on style and proper decorum for men of the twenty-first century, this volume enlightens the male population with the secrets to becoming a cultured, contemporary gentleman.
