BOOK SYNOPSIS

Evolved Publishing presents an other-worldly romantic tale from the multiple award-winning author of "White Chalk" and "The Sugar House Novellas." Discover the world of the Sualwets and the Erdlanders. In a world where water and earth teem with life, Serafay is an anomaly. The result of genetic experiments on her mothers water-borne line, Serafay will have to face the very people responsible for her mothers torture to discover who she really is. But is she the only one? Dont miss this sci-fi fantasy, with its unique world and memorable characters.
